# Alan Underwood

Product Designer | Bay Area | 919-827-3185 | alanunderwood@gmail.com

Hi, I'm Alan. I'm a socially-conscious product designer working at the intersection of AI and UX. I have worked with and learned from some of the world's greatest design leaders and social entrepreneurs, and I have a diverse background of experience in agencies, startups, enterprises, and non-profits.

More about me

Here is some of my recent work:

And here are some of the awards I've won:
